

How your gift helps

Your gifts over the past year allowed the University of Baltimore Foundation to make a real impact on the lives of students and faculty by:

- Providing scholarship aid to 176 students totaling \$595,000 in financial support;
- Supporting over 25 Merrick School of Business students in their international study abroad experiences;
- Subsidizing the cost of 27 School of Law students in moot court competitions across the country;
- Recognizing with awards the academic achievements of over 20 Yale Gordon College of Liberal Arts students;
- Funding the research and scholarship of more than 20 faculty members , who were recognized for excellence in their field, through awards and professorships;
- Financing computer lab upgrades in the Thumel Business Center and other renovations that have made the UB campus a more supportive learning environment.

Thank you!
